EDITOR – PERSONAL INFORMATION for DISCOBOLUL JOURNAL

Info:

Cristian Vasile, Professor, PhD, MD, at the University of Ploiești, is involved in private practice as a Senior Clinical Psychologist and Senior Psychotherapist for about 25 years. He used to work also as a Sports Psychologist for different sports (judo, handball, football). President of the International Society for Applied Psychology and active member of other international organizations. In his capacity as editor-in-Chief, he manages the editorial activities of the Journal of Educational Sciences & Psychology (indexed by Web of Science and other major academic databases).

Author of the Identity Structures Theory and Identity Structures Inventory, an instrument which can be applied in different fields of psychology (psychotherapy and mental health, sport psychology, human resources, medicine, personal development). He worked as a clinical psychologist for different mental health institutions and as a counselor for the United Nations High Commissioner for Refugees.
